Comments

Well, what a fantastic weekend! The biggest JNOC ever! Thank you to all the Archers who rose to the challenge to bring a friend and turn the 70 target event that we normally host into a 91 target event with well over 320 Archers shooting.

The weather was reasonably kind to us, although the weather was supplemented by the odd additional shower on the football pitch side of the field, when the hockey pitches got watered!

Thanks must also go to all the dedicated volunteers who helped with this event. The work party, the Judges and the Junior Committee. Without them we could not put the event on for you.

Thanks also to Patrick for performing the duties of Lord Patron for the weekend. We wish him all the best for Rio and hope that the signed target faces spur him on in his accommodation whilst away.

A number of records were claimed throughout the weekend, as well as 6 gold end badges, Rose and WA Star awards. Well done if you were one of these Archers.

If you have any comments about the weekend, good or bad, please let us know at the email address below. Likewise if you would like to see any changes for 2017!

We will publish the results of the quick survey that we did on Sunday on the JNOC page of the Archery GB website as soon as they are collated. This will then be used to inform the format of next years event. Hopefully we can make it even bigger so as Tim said at the end of the weekend, Bring more friends !

Fuller results can also be found on the lanseo website.

In the meantime keep an eye on the Archery GB website for the details for the Junior Indoors. They should be available very soon.

And a final additional comment from Tim – We must take the time to Thank Chrissie Mortlock for all the hard work that she puts in to organising this event, supported by her husband and 'secretary' Chris. We all really appreciate it.
