

**Form on meeting the RVT rule during the European Indoor Championship Laško 2022,
14th – 19th February 2022**

Instructions for completing the form: We kindly ask you to mark with an 'x' which of the RVT conditions you will be applying during the competition. The Team Manager's signature vouches for the validity of the information.

We are kindly asking you to bring this form upon arrival to the accreditations desk in the hotel. For checking the validity of the information, each participant must bring proof of meeting the RVT condition and an ID card.

R – recovered: a positive PCR test which is older than 10, but not older than 180 days

V – vaccinated: less than 270 days since getting the full dose of vaccine or vaccination with a booster shot

T – tested: if neither recovered nor vaccinated apply, you will have to be tested during the competition every day
