## VISIT KAMNIK & STAY in Slovenia

Kamnik is considered **one of the most beautiful medieval towns in Slovenia**. Once a flourishing trading city, it was the seat of the Andechs-Bavarian counts. During those times, Kamnik **was the capital of Carniola**. The town hill boasted an impressive castle complex **Mali grad (Little castle)** in the 11th century. Today, only a two-story Romanesque chapel with a crypt remains, which is also one of the main symbols of the town. From the hill, there is a beautiful view of the town and the Kamnik-Savinja Alps. You can visit many beautiful and interesting places, check here: <https://veronicas-cup.org/visit-kamnik/>

We have also organized a **KAMNIK SIGHTSEEING TOUR on Saturday, 24.5.2025 at 17.15, from the Venue**. Feel Kamnik with us, and join us on a 60 minutes guided tour. Please [register here](#):

You are kindly invited to make [Slovenia your holiday destination](#).
