The Mixed teams finals on Wednesday and the Team finals on Friday will be organized as well as warming up for these finals on the same, but reorganized field.

Individual finals will be organized in front of hotels. Individual finals will have live coverage on the video screen and on internet.

Also some others matches during the competition will have live coverage on the video screen and on internet.

#### 3.3. Competition Program (attached)

have practice during the match before theirs if possible, otherwise 2 ends of practice before the match.

- For finals the competing athletes will have the warm up organized on the practice field.

Non competing archers will be allowed to practice only on the practice field till Friday.

Practice field will be open from Sunday till Friday 8:00-12:00 and 14:00-18:00. Schedule may be modified if necessary.

### 3.5. Equipment Inspection

Equipment inspection will be held following the program of the official practice. Each team will be called (in the English alphabetical order) and invited by the announcer to the dedicated place for the equipment inspection on the competition field. Also all spare equipment must be brought to the equipment inspection.

All team members (archers and officials) should wear their team uniforms and accreditation card.

The correct spelling of athlete's names, as well as the correct date of birth in the archers' list will be checked during the accreditation.

The start numbers will be given at the warm up on the day of the competition (it will be distributed on the shooting line, in front of each archer's position). When receiving the registration numbers, we would like each Team Manager to double check that each archer has the correct "athlete number".

There are some late arrivals of teams; however we will try to publish the start list before the start of the official practice, so archers can practice on their assigned targets.

There is no access to the competition field for the official practice before the accreditation is done.

### 3.6. Qualification Round & Information on scoring

Target assignments will be published only on boards and on internet.

Shooting in qualifications will be conducted with 3-4 archers per target in AB-CD format.

For the qualification rounds, no faces will be changed after the practice arrows. Please instruct the archers to mark the arrow holes during practice.

The athletes will have double scoring from qualification round till individual bronze medal matches and the same is for team and mixed team competition: one electronic and one on paper scorecard. For each target, one athlete will enter the score on the paper score sheet; another athlete will make the electronic scoring.

All the athletes on the same target must verify that the correct scores are entered.

**Please instruct your athletes to fill in properly the scorecards including total score, 10's and X's and sign the card before handing them back after each round. Double scoring is required (one on paper and one electronic) and after the match also the winner has to be marked.**

In case of tied score on positions 8 when we have more than 32 archers in the category, a shoot off will be arranged. Neutral targets will be used.

- Individuals: A single arrow shoot-off for score. If both archers score a 10 (recurve) or X (compound) on their first shoot-off arrow, then the match would be considered a tie and a second shoot-off arrow will be needed to resolve the match. If the score is the same the arrow closest to the centre of the target face shall resolve the tie.

### 3.7. Individual Elimination Round

For the elimination rounds, no faces will be changed after the practice arrows. So please instruct the archers to mark the arrow holes during practice. Matches will start as soon as the field is ready.

We will keep to the starting time at the beginning of the session and then the competition will run as it goes. Therefore some matches could start sooner than the time indicated in the schedule. Please be aware of this and be prepared for it.

Byes are allowed. In case of a bye, archers will be allowed to shoot, but no score will be recorded or allowed to be displayed.

The individual elimination round will start with the 1/24 in categories where we have 33 – 55 archers. Top 8 individual archers will go directly to the 1/16 eliminations. Archers from 9<sup>th</sup> to the last position will shoot the 1/24 eliminations, as appropriate. Then the top 8 will join the winners of 1/24 eliminations to complete the 1/16 elimination.

Please check carefully the schedule.

#### 3.7.1 Recurve

The set system will be used for recurve division. All individual matches will consist of maximum 5 sets of 3 arrows per set. Archer with 6 set points wins the match.

#### 3.7.2 Compound

The compound match round will be used for compound division. All matches will consist of 5 ends of 3 arrows, cumulative scoring.

### 3.8. Team and Mixed Teams Eliminations and Finals

The Team and Mixed team Elimination Round will start with the 1/8. Bronze and Gold medal matches will be organized with alternating shooting – for mixed teams on Wednesday and for teams on Friday. Remember that you need an agent for the blind.

Byes are allowed. In case of a bye, teams will be allowed to shoot on the competition field, but no score will be recorded or allowed to be displayed.

Remember that the composition of the mixed team and team can be changed in writing at least 1 hour before the start of that round of competition – see art. 4.3.2. below. The form is attached at the end of this document.

#### 3.8.1. Recurve Team

- Max. 4 sets of 6 arrows, 2 arrows per archer (set points scoring). Team with 5 set points wins the match.

#### 3.8.2. Recurve Mixed Team

- Max. 4 sets of 4 arrows, 2 arrows per archer (set points scoring). Team with 5 set points wins the match.

#### 3.8.3. Compound Team

- 4 ends of 6 arrows, 2 arrows per archer (50 m, cumulative scoring)

#### 3.8.4. Compound Mixed Team

- 4 ends of 4 arrows, 2 arrows per archer (50 m, cumulative scoring)

Shoot-off in Team eliminations and Finals with simultaneously shooting is just one arrow each archer, 60 sec per team (40 sec for Mixed Teams). In Bronze and Gold medal matches with alternating shooting the archers are alternating after every single arrow.

### 3.9. Individual Finals Round – Bronze and Gold Medal Matches

All Bronze and Gold medal matches individual, mixed teams and teams will have alternate shooting. The field for mixed team and team medal matches will be divided in two areas – the final field and the practice field for finalists.

The final field for Bronze and Gold medal matches individual will be arranged in front of hotels. Remember that you need an agent for the blind.

We are expecting that all participants of this event will be present there during finals.

### 3.10. Appeal Procedure (Form attached)

An Appeal form is attached to this document (see attached after this chapter, Appendix 3)

In case of Intent to Appeal or an actual Appeal, the times indicated on the Appeal form must be considered.

The Appeal form should be given to the Chairman of the Tournament Judge Commission or to his deputy. A fee of 50 EUR must be paid to the Chairman of the Tournament Judge Commission, for the Appeal to be valid.

If the Appeal is upheld by the Jury of Appeal, the fee will be returned. In the case of the Appeal being rejected, the fee will not be returned.

## 4) Technical Matters (TD + chairman of Judges)

### 4.1. Timing Control system

The Danage or Chronotir timing equipment will be used for timing with several displays on the competition and practice field.

### 4.2. Results system

Ianseo is the provider of the results. The scoring in the Qualification and Elimination Round will be done by the archers. One archer will write down the score on the paper score sheet and another archer will score on a terminal. The third/fourth archer verifies that the correct scores are entered.

The terminals are used during the Qualifications, Eliminations and Finals, but not during the Bronze and Gold medal matches alternating shooting.

### 4.3. Rules that apply in this event

#### 4.3.1. Practice on the competition field during byes

*Practice on the competition field during byes will be limited to three arrows per end and maximum of three sets for recurve and five ends for compound. If more than three arrows are shot by an athlete in an end after being warned by a judge, the athlete may be denied further practice on the competition field but any such violation shall not affect the next match.*

#### 4.3.2. Team members' nomination

*A team shall consist of the highest ranked 3 (or 2 if a Mixed Team) athletes from the Qualification Round unless the team manager notifies the Director of Shooting or the Chairman of Judges in writing at least 1 hour before the start of that round of competition of a substitution of another athlete who competed in the Qualification Round. In case of substitution medals will only be awarded to the athletes that shot the Team round, not the Qualification Round. A violation of the foregoing will result in disqualification of the team.*

### 4.3.3. Number of team officials

A Team Manager may be helped by other team officials (such as coaches, physiotherapists, psychologists, etc.). There may not be more than one team official on the field of play for each athlete competing at the time. However, the maximum number of team officials on the field of play at the same time is four. This may be increased by one official per category if the Member Association has athletes competing in more than two categories at the same time.

### 4.3.4. Archers acting as Coaches

Archers may be acting as coaches during finals, but they need to ask for the new accreditation in time.

### 4.3.5. Shoot-offs - Individuals:

- A single arrow shoot-off for score;
- If both archer score a 10 (recurve) or X (compound) on their first shoot-off arrow, then the match would be considered a tie and a second shoot-off arrow will be needed to resolve the match;
- If the score is the same the arrow closest to the centre of the target face shall resolve the tie and if the distance is the same, successive single arrow shoot-offs, until the tie is resolved.
- If both athletes miss the scoring area of the target, both athletes will shoot an additional arrow.

### 4.4. Rankings

After the end of this event, the Youth Cup Ranking will be prepared and the results obtained during the European Youth Cup in Bucharest will be added to those one obtained in Čatež. The awarding of the Youth Cup circuit 2019 will take place in Bucharest immediately after the awarding of the competition.

### 4.5. Dress Instructions

Athletes, officials and staff should have a proper appearance when they are on the field during competition. Athletes, team officials and technicians should wear their national team uniforms (with same look per division following WA rules) and sport shoes.

Opened shoes are not allowed on the field of play and on practice field.

We would like to remind all teams that names of archers and country code are appreciated for this event, but mandatory for archers participating in major events.

### 4.6. Lost arrows

All lost and find arrows are to be reported to judges. An arrow found on the field of play at later stage of the competition will be considered as a part of that end if not reported.

## 5) Logistical Aspects (OC)

### 5.1. Transportation:
