NUM 2019

5. - 7. Juli

WELCOME TO AALBORG

As mayor of Aalborg Municipality, I extend a warm welcome to the Nordic Archery Youth Championships.

I am proud that we are the hosting championships in which some of the Nordic countries' best young archers are participating. Your results will surely rub off on lots of little archers who, because of you, will be inspired to train a little extra, because they dream of achieving the same results one day.

I find archery to be a fascinating sport. I admire the concentration and the incredible ability to focus that archers have, and I am looking forward to watching the sporting performances.

I hope you will experience that, here in Aalborg, we are working resolutely to become one of Denmark's best sports cities, where sports have a special status. We are constantly endeavouring to develop a city where big events are never far away. Whether you like culture or nature, it is my hope that, between competitions, you will take advantage of some of the big attractions the city has to offer. In fact, the New York Times ranks Aalborg as no. 8 on its list of cities around the world you should visit.

As inspiration, I recommend:

- Aalborg ZOO
- Springerens – Maritime Experience Centre
- Aalborg Defence and Garrison Museum
- Kunsten Museum of Modern Art
- Musikkens Hus concert hall
- Utzon Centre
- Lindholm Høje Viking burial site
- Lille Vildmose nature centre

From 3 - 6 July, Aalborg hosts Tall Ship Races where more than 90 of the world's most beautiful tall ships, 3,000 crewmembers and 750,000 guests are expected to visit Aalborg when the city is the starting port of The Tall Ships Races 2019.

In connection with The Tall Ships Races 2019, the harbour areas on both sides of the fjord are set up as "event areas" with service facilities and entertainment for ships' crews and the public.

Naturally, the tall ships are the main attraction, but a visit to The Tall Ships Races will also include musical and cultural experiences for the whole family.

Wishing you all a wonderful tournament,

Thomas Kastrup-Larsen,

Mayor of Aalborg Municipality

FOREWORD

On behalf of Aalborg Bueskyttelaug, I welcome you all to Nordic Youth Championship 2019 here in Aalborg.

Aalborg Bueskyttelaug is a small club with about 90 members, so it can be a challenge to arrange a large tournament like this, but luckily we have had the good fortune to establish a great relationship with another local club, SGIF, who usually use this venue for football, handball, gymnastics and a lot more. They are providing a lot of the practical help for this tournament, and for that we are grateful.

I wish the best of luck to all participants.

Robert Knudsen

President of Aalborg Bueskyttelaug

Wellcome to NUM 2019

On behalf of Archery Denmark will Aalborg Bueskyttelaug hold this years NUM in Denmark.

The club has worked hard to ensure, that this years NUM will also be a success.

Many volentures will be working hard to make sure, that we will all have good week-end together.

I hope everybody, archers, trainers and parents, will have some good days together in Denmark, where we can all enjoy our mutual interest – archery

Morten Holm-Nielsen

Chairman

COMPETITION INFORMATION

Dear participants, coaches, parents and spectators - here are a few practical information.

For those of you accommodated at the venue, there is a 400 meter walk from the accommodation area to the field.

Since the toilets are located at the accommodation area, which is a 400 meter walk from the field, we have made arrangements for temporary toilets in the field.

In the field the kiosk will be open throughout the entire event. We accept payment in cash (DKK), Mobilepay and Visa/Mastercard.

Weather: Typical Danish weather will be 17 - 22 degrees Celsius with both a bit of sun and a bit of rain, so prepare for changing weather. If the sun is out, it can be pretty strong, so bring sun lotion.

In case of good weather, its important that you drink enough. There is a water post near the field, so you can keep your bottles filled.

ORGANIZERS

We, Aalborg Bueskyttelaug, appreciate deeply the great turnout to this years NUM. We have put a great effort into making this a positive experience for all of you.

Without the support of our own members and a few fellow archery clubs, this would not have been possible. We wish to extend our gratitude to Silkeborg IF Bueskydning, Lyngby Bueskyttelaug and Nykøbing Falster Bueskyttelaug for providing extra equipment, and Svenstrup-Godthåb IF (SGIF) for providing manpower.

We also extend our gratitude towards the Swedish Archery Federation and to Endre Vik Larsen from the Norwegian Archery Federation for providing live streaming of the event.
