### Compound Women - Categories

23/07/2019

Due to low number of entries in the Compound Junior Women individual category, in the interest of competition both the Compound Junior Women and the Compound Cadet Women categories have been merged into the 'Compound Junior Women' category for the Individual rounds.

For the Team and Mixed team rounds the Compounds are merged (Cadet and Junior) into the Compound Youth Men Teams, Compound Youth Women Teams and the Compound Youth Mixed team categories.
