A fee of 50, 00 € must be paid to the Chairman of the Tournament Judge Commission or to the deputy, for the Appeal to be valid.

If the Appeal is upheld by the Jury of Appeal, the fee will be returned. In the case of the Appeal being rejected, the fee will not be returned.

4. Technical Matters (TD)

5. Results System

Qualification Round - scoring will be done by athletes/agents. One athlete/agent records, on the official paper-based score sheet, the scores of all other athletes on that target. At the same time, another athlete/agent, on that same target, will input all the scores of the athletes on that target into the PDA terminal. All athletes/agent should verify that all scores are written and entered correctly on both score cards (paper and electronic).

In case of the archer has no agent and can't go to the target by her/himself, the agent role will be undertaken by a volunteer from the LOC.

Scorecards MUST have all the totals fully completed, with the 10's+X's and X count. Any scorecards not completed correctly with ALL this information will be scored as 0.

Elimination Round – scoring will be done by athletes/agents. One athlete/agent records the arrow values of both athletes/teams on the paper score sheet. While at the same time, the other athlete/agent inputs the arrow values in the scoring tablet. Both athletes/teams should verify that all scores are written and entered correctly before returning back to the shooting line.

At the end of the match, the scorecard must be fully completed and signed by the athletes involved in the match.

Scoring tablets will be used during the Qualification and Elimination Rounds, but not in the Finals. Mr. Matteo PISANI (WA Results & Technology Team) is responsible for the results of the event.

Should an athlete not be able to go to the target and require a target agent, please notify in advance the LOC to have a designated agent supplied by the LOC.

4.2 Rules that apply in this event

Beside the special rules noted in chapter 21 of book 3, WA rules will apply.

4.2.1 The Rankings

At the end of the event, the World Rankings (www.worldarchery.org) will be updated.

4.2.2 Dress Regulations

Athletes, officials and staff should wear the appropriate clothing and have the correct appearance when on the field during competition.

Athletes, team officials and technicians should wear their national team uniforms and sports shoes having the same appearance as per the division, following WA rules.

We would like to remind all teams that athlete names and country names or code are mandatory on the back of their national team uniform shirts for athletes participating in WA major events.

Camouflaged clothing (including headwear and shoes) is not to be worn at World Archery events.

4.2.3. Team officials on the field

“(WA-RB Ch. 18.1.2.) A Team Manager may be helped by other team officials (such as coaches, physiotherapists, psychologists, etc.). There may not be more than one team official on the field of play for each athlete competing at the time. However, the maximum number of team officials on the field of play at the same time is four. This may be increased by one official per category if the Member Association has athletes competing in more than two categories at the same time.”

This rule does not apply for those athletes that require an assistant as indicated on their classification card.

6. Other matters of importance (TD)

6.1 Environment

Team Managers please instruct your team members to use the litter bins provided which are located on the competition, practice ranges and common areas. Also use protective cream to prevent burning from UV light. It is important to keep everyone hydrated so drinks will be provided on the grounds.

The dirham code: AED is the currency of the United Arab Emirates , 1 AED
= about 0.27 USD or 0.24 EUR.

Transportation in Dubai:

Dubai is one of the fastest growing cities in today's world, making the provision of high quality infrastructure facilities absolutely imperative, and since providing an advanced transport network for the people of Dubai has been high on the government's agenda, which is evident from its initiatives to enhance the public transport facilities and improve roads across the emirate to make travel safer and smoother, the Roads and Transport Authority (RTA) was formed by the decree number 17 for the year 2005, The tourist can enjoy his staying in Dubai with varieties of transportation, " Roads, Taxis, Metro, Bus, Trams, Ports and water travel, Air travel and see".

Host City Information

Dubai enjoys, without a doubt, one of the best locations on the planet. Situated halfway between Europe and Asia, few destinations take more than 8 hours direct flying time to or from Dubai. Just overnight from London, four hours from Nairobi, three hours from Mumbai, 8 hours from Hong Kong and a direct flight from the United States or Australia.

Dubai is one of the few cities in the world that has undergone such a rapid transformation - from a humble beginning as a pearl-diving center - to one of the fastest growing cities on earth. Dubai today is a tourism, trade and logistics hub and has earned itself the reputation of being the 'Gateway between the east and the west.' It is also considered as the dynamic nucleus of the Arabian Gulf region.

Home to just over 2 million people from more than 200 nationalities, Dubai is one of the most cosmopolitan cities in the world. Dubai has a lot to offer! It is safe, politically stable, centrally located, and has good education system and healthcare facilities, modern infrastructure and much more. The sun shines almost every day, the shopping and leisure facilities are impressive.

Dubai is exciting, just when you think you've seen it all, a new project is announced, whether it is the launch of a sports stadium, a mega commercial tower, a residential enclave or yet another shopping mall!

Tourist attractions in and around Dubai Dubai Frame:

The UAE's latest cultural landmark, Dubai Frame is an iconic structure that 'frames' impressive views of Old and New Dubai, while serving as a metaphorical bridge connecting the emirate's rich past with its magnificent present. Offering spectacular panoramic views across the city, Dubai Frame celebrates the story of Dubai from its early establishment to its ambitious plans for future development

Burj Khalifa:

World's tallest building, a living wonder, stunning work of art, incomparable feat of engineering, Burj Khalifa is all that, in concept and execution, Burj Khalifa has no peer, more than just the world's tallest building, Burj Khalifa is an unprecedented example of international cooperation, symbolic beacon of progress, and an emblem of the new, dynamic and prosperous Middle East

Atlantis Dubai:

Atlantis Dubai is a huge tourist hotel complex is located in Dubai, opened in impressive and huge ceremony at a cost of U.S. \$ 20 million on November 20, 2008, a project of the South African Entrepreneur Sol Cairns. The hotel is located on the Palm Jumeirah at the checkpoint north of the island; it can be reached through an underwater tunnel on the railway line. The hotel costs up to 1,200 million.

Ski Dubai:

Ski Dubai is the first INDOOR ski resort to open in the Middle East. The resort is located at the heart of Mall of the Emirates, a famous shopping center in Dubai's central part of the city. The Ski Dubai arena boasts a mountain-themed 22,500 square-meter space of skiing, snowboarding and tobogganing. If you just want to hang around and enjoy the nice

Climate:

Temperature which is around 3 degrees Celsius. There is also the 3,000 square-meter Snow Park dedicated to people who just want to play in the snow with some nice slides.

Electricity and power sockets in the UAE:

In the United Arab Emirates, the standard voltage is 240-220 V. The standard frequency is 50 Hz. The power sockets that are used are of type G. Find pictures of these power sockets and corresponding plugs.

Dubai Public Transportation

Dubai, as a tourist destination and place to live, is world renowned for many reasons: its high standard of living, an extravagant lifestyle punctuated by incredible architecture, a plethora of entertainment options for individuals and families, it's wonderful, warm climate year round, as well as pristine stretches of beaches.

Not to be left out are the world famous shopping malls, featuring the best boutiques and brands from all across the globe – including Asia, America, and Europe. Last but not least is Dubai's love affair with cars. Residents (or even visitors) in Dubai can fulfill their most outrageous desire for owning the latest models of the fastest and most exotic cars in the world. Subsidized fuel prices, as well as relatively cheaper car prices and maintenance, mean that people who live in or visit Dubai can indulge in exotic models of cars that they wouldn't dream of in their home countries. Although driving is the most convenient way of getting around Dubai, the government has vastly improved the public transport system over the last decade, and continues to invest in and expand the public transport network within the emirate.

Although Dubai is not best known for its connectivity, there are many options for public transport, particularly if you have time and want to experience Dubai from a unique vantage point.
