

## CIRCULATION PLAN FINALS DAYS

Checking point at the usual main entry

Competing archers, coaches and agent

- can enter 1h30 before the start of the match.
- go to the equipment storage and then to the official practice field

Immediately after the match:

- go to the equipment storage and go away by the exit (end of corridor near the medical office)

The use of the free practice field is reserved to people still involved in future matches of the competition.  
To get the equipment in equipment storage, use the in-out door near the medical office.

**PLEASE: nobody is responsible of the sanitary situation, keep polite and respectful with people working at the checking points.**
