## Welcome from the Organization Committee

Dear Archers

We all know that practising sport and especially carrying out competitions has been rather difficult in the past year. We have gotten used to tournament cancellations.

In order to fill this gap, we invite you to take part in the virtual Zurich Challenge, where the main goal is to have fun. This virtual tournament is not an official WA tournament, so no judges will be involved and no recognised records will be possible.

For those wanting an official tournament to look forward to, we are planning the next real edition of **the Zurich Challenge on the 6th and 7th of November 2021**. So make sure you pencil these dates into your calendars.

We are looking forward to your registration now for the virtual and, later in the year, for the real tournament.

All the best

The organization committee

## Zurich Challenge Virtual Edition April 2021

|                   |                                                                                                                         |
|-------------------|-------------------------------------------------------------------------------------------------------------------------|
| Place             | Anywhere where you can train/shoot.                                                                                     |
| Rules             | The underlying rules are according to SwissArchery Indoor 18m. These are essentially the same as WA indoor rules.       |
| Who can take part | Holders of a SwissArchery or WorldArchery licence. Guests are welcome in the categories with/without sight.             |
| Categories        | All SwissArchery categories.                                                                                            |
| Prize             | A surprise per category.                                                                                                |
| Liability         | T.A.T. will not take on any liability.                                                                                  |

## Target faces and distances

If you can train/shoot the official distance then use the according target face sizes and distance. Given that you will be your own judge we strongly appeal to fair play and honesty.

If you are limited by the distance you can shoot, you can find scalable and printable target faces under the following link:

[the-stay-at-home-target-face-generator](#)

| Age / category             | Age /     | Distance/ | Recurve                  | Compound                  | Barebow                  | Bowhunter<br>Longbow |
|----------------------------|-----------|-----------|--------------------------|---------------------------|--------------------------|----------------------|
| U11 – Piccolo              | 8 – 10    | 15 m      | 80 cm                    | 80 cm<br>Inner-10         | 80 cm                    | 80 cm                |
| U13 – Mini                 | 11 – 12   | 18 m      | 80 cm                    | 80 cm<br>Inner-10         | 80 cm                    | 80 cm                |
| U15 – Jugend /<br>Jeunesse | 13 – 14   | 18 m      | Trispot 60 cm /<br>60 cm | Trispot 60 cm<br>Inner-10 | 60 cm                    | 60 cm                |
| U18 – Master               | 15 – ≥ 50 | 18 m      | Trispot 40 cm /<br>40 cm | Trispot 40 cm<br>Inner-10 | Trispot 40 cm /<br>40 cm | 60 cm                |

We will not ask for a proof of your points, we call on fair play and honesty.

## Program

The tournament will be open from the 3rd of April to the 25th of April 2021.

A current ranking will be published on a weekly basis on [lanseo](#) and our [homepage](#).

Here all registered archers can also download the score card using the QR code.

In order to hand in the score cards you need to install the "lanseo Scorekeeper" app. You can find it either in the [Apple-Store](#) or within [Google Play](#).

All five groups are open for registration until the 23rd of April. Please always sign up for group 1 if not all places are taken within this group. The other groups are mainly there for people who want to take part multiple times in the same categorie. To encourage this the best result will be taken for the final ranking.
