A fee of 50 USD (or 50 EUR) must be paid to the Chairman of the Tournament Judge Commission, for the appeal to be valid.

If the appeal is upheld by the Jury of Appeal, the fee will be returned. In the case of the appeal being rejected, the fee will not be returned.

3. Technical Matters

3.1 Timing Control System

DANAGE Timing equipment will be used for timing, except in the finals where the WA timing control and scoreboard system will be used.

3.2 Results System

Qualification Round - scoring will be completed by athletes. One athlete records, on the official paper based score sheet, the scores of all other athletes on that target. At the same time, another athlete, on that same target, will enter all the scores of the athletes on that target into the scoring tablet.

Scorecards **MUST** be signed by both the athlete and the scorer, have all the totals mathematically correct with the 10s+Xs and X count fully completed. Any scorecards where the 10s+Xs and X count are not completed a "0" will be given for the total of 10s+Xs and X count for that athlete. Any score cards not signed or the score total is missing will result in disqualification.

Elimination Round – scoring will be completed by athletes. One athlete/team records the arrow values of both athletes/teams on the paper score sheet. While at the same time, the other athlete/team inputs the arrow values into the scoring tablet. Both athletes/teams should verify that all scores are written and entered correctly before returning back to the shooting line.

At the end of the match, the scorecard must be fully completed and signed by the athletes (or agent/judge in the case of finals) involved in the match.

Scoring tablets will be used during the Qualification and Elimination Rounds, but not in the Finals. Mr. Robert Potts is responsible for the results of the event.

IMPORTANT NOTE: There will be no distribution of any printed results or information, everything will be available on the Ianseo site for the event.
