

Woking Archery Club Open

York, Hereford and Bristol I-IV Rounds

19th September 2021

Woking Archery Club are delighted to be able to offer Archers a UKRS and Rose Award Target competition. Below we outline what to expect when you arrive, and how the shooting will be organised during the day.

Before you head for the shoot you should consider carefully:

Do you have a high temperature?	Yes/No
Do you have a new, continuous cough?	Yes/No
Do you have a loss of, or change to, your sense of smell or taste?	Yes/No
Are you in a household or bubble with someone who has tested positive for Covid-19 in the past 14 days	Yes/No

If the answer to any of these is **yes**, then **you must not attend the competition.**

Travelling	You can find directions to Woking Archery Club at this link. Find Woking AC.
Arrival	Please time your arrival for inspection and registration from 08:30am.
Parking	Is on the right of the track when you are in the field and along the motorway bund, there's plenty of room so give yourself space to social distance.
Tent Areas	We have lots of room behind the shooting line, but to ensure we can all socially distance we're asking you to pitch your tents on your allocated space along your target's lane edge and with the entrance facing into the lane, this gives around 4m circulation space for each lane with plenty of room to get to the waiting area, see the diagram below. We've extended the lane lines into the tent area to help with this. The target lanes are 10m wide with 2 targets in each lane with 5m between centres. This allows extra room to circulate between targets in different lanes.
Waiting Area	There is extra room in the waiting area so Archers can socialise between ends while also distancing. Please do not constrict access to the tent circulation space.
Inspection & Registration	The judges will conduct inspections by sight only. Please be ready to present your equipment to the judges when requested. Judges may make spot check on compound bow weights during the event. There is no separate registration as we know you are all AGB members because you entered via the AGB Portal.

PPE, Sanitiser & First Aid	Please provide whatever PPE you feel comfortable with and bring your own hand sanitiser. A First Aider will be present, but to avoid cross contamination please bring your own first aid kit for minor injuries. Remember to report all incidents to the organiser.
Food and Drink	Hot bacon, sausage and burgers will be available from the BBQ, along with a selection of cold drinks and snacks, please remember to bring change. We have paper cups, but please bring your own mugs.
Loos	Are available on site; the gents with a one in, one out basis; the Ladies can go in two at a time, one of the 3 cubicles will be closed. There will be sanitiser and wipes available. The disabled loo is on the Gent's side. Please be patient as the gents will be closed if it is in use.
Shooting Procedure	We will be following AGB shooting method 2, consisting of 2 archers per detail shooting timed ends of 6 arrows controlled by audible signals. Tenzon layered foam bosses will be used, with straw bosses for Longbow York and Bristol IV rounds.
Scoring etc	We will be shooting Archery GB Imperial Outdoor Rounds – 5 Zone Scoring – 122cm Face. When score sheets need to be handed in, they should be signed, use your own pen please, and placed in a box near the scorer's tent/DoS. Please make sure you use a biro rather than a gel pen, as we may be using waterproof paper.
Rubbish	Please take it home!
Documentation	The Target List, Prospectus, & this document are available online at ianseo.net
