

## The Archery GB Junior National Indoor Championships 🧱

## **Junior Awards**

Following the updated government guidance in England around reducing the spread of Covid-19, we have made the difficult decision to change the way all age group and team awards are received this year. Instead of an awards ceremony, we ask that you collect your award from the information desk.

We'd love to celebrate your achievements so please tag us in any photos of you with your award or use the hashtag #archeryindoors. To reduce risk please avoid congregating in large groups while taking photos.

The Junior Championship awards ceremony will take place after head to heads in the hall. During this ceremony we ask that people continue to wear masks and avoid mixing in large groups.
