## **Very Important Information**

**Covid 19** - Whilst restrictions have lifted, we mustn't forget that this pandemic is far from over. We therefore remind you that whilst you may be comfortable with less social distancing or not wearing masks, there may be others on the field that are still being cautious. Please respect their wishes and if you are asked to adapt your behaviour when behind the line or when up at the target scoring with your target companions then please do so without fuss or question. Likewise, if **you** wish to be cautious, then **do not** be afraid to say something to others.

That said, if you are experiencing any symptoms of Covid, we ask that you please stay away. You may want to consider taking a test prior to leaving home.

**Venue** - Due to the lack of entries, I cannot warrant the additional cost of hiring the football pitches, as well as all the effort that the Club members have to expend marking out the pitches and then moving all the equipment over. Therefore with careful planning, I have managed to fit the entries received to date onto our own grounds.

Target lanes will be marked out at 2 metres, this is narrow, so please be respectful of your target colleagues and those adjacent to you when setting up any scopes. Please also setup your tents to allow walkways for those further back on the field.

This also means there will a number of Archers moving targets between the 2 days.

**Head to Heads** - However, in order to make the Head to Heads work, the first elimination matches will be run double detail, with 2 matches and therefore 4 Archers per target. You are asked to pay attention to myself and the Judges instructions so that everything runs smoothly. We will not be changing to one archer per target in the later eliminations and the Gold and Bronze medal matches will run concurrently.

There are still a small number of spaces available, however I have already decided to apply a cut to the Gents Recurve at 16. I already have those 16 Archers. Any further entries received will forfeit their chance to shoot in the head to head, unless there are drop outs. They may, however still shoot the ranking round.

**Camping** - There are a number of Archers camping. Because we are shooting on our own grounds, please ensure that campers setup close to the hedge and close to each other. The target line will extend one lane beyond that you are used to on Saturday on the left. No person may remain in a tent whilst shooting is in progress.

**Catering** - We will be serving refreshments throughout the day from our new kitchen and Scott will be serving bacon rolls first thing in the morning. We will be happy to make up simple sandwiches for your lunch, but these must be pre-ordered by part way through the first distance. A list of what we can offer will be on display. We also are trying to be green and will not be using paper cups for Tea and Coffee. If you bring your own mug we will happily fill it for you.

**Rubbish** - We ask please, that you take all your rubbish home.

If you have any questions, then please ask,

Details and updates can also be found at [www.ianseo.net](http://www.ianseo.net)
