Rounds:

Saturday – World Archery ranking round followed by an Individual Head to Head. For the Recurve 70m ranking round there will be 4 archers per target shooting in 2 details at a single 122cm face. For the Compound 50m ranking round there will be 4 archers per target shooting in 2 details at individual 80cm 6 zone faces. Time allowed will be 4 minutes per end. On completion of the round there will be at least a 45 minute break whilst the seedings for the head to head are completed. Note that it may be necessary to apply a 'Cut' to the seedings to allow the Head to Head rounds to complete within a sensible time. This will be decided based on the number of entries and targets available for the eliminations rounds nearer the date.

The WA 60m Cadet rounds and the Archery GB equivalent Junior rounds will also be available and attract record status, but will not count towards the Head to Head. Please speak to the organiser for more details.

Sunday – Ladies and Gentleman's Single World Archery 1440 Star and Metrics. There will be 4 archers per target shooting in 2 details. Arrows will be shot in ends of 6 in 4 minutes throughout the entire day. In the afternoon Recurve and Compound archers will shoot on individual 80cm 6 zone faces, Longbow, Barebow and Juniors on full 80cm faces, unless there is a strong desire otherwise.
