

Junior Archery Series

Stage 2 - South, hosted by Woking Archery Club

We're looking forward to seeing you all at Woking Archery Club on Saturday 17th June for a great day of shooting. **However, If you cannot now attend the competition, the organisers would very much appreciate if you could let us know ASAP.**

We just wanted to give you some pre-arrival information, in no particular order...

- **Location:** The Club is on Wisley Lane ([Map Location](#)). Our What3words are **range.amber.less**. From Wisley Lane, turn into Deers Farm Close. Turn right at the end of the Close, through a metal gate and follow the fence to the left along an unmade track. Go through a wooden gate and follow the track until you reach the competition field. It will be signposted from Wisley Lane.
- **Approach:** The best way to access the club is from the A3, your sat nav should lead you in OK if you use GU23 6QX. There is a narrow canal bridge at the other end of Wisley Lane which is best avoided by anything bigger than a car.
- **Tents & Practice:** As we are setting up the field on Friday afternoon, please try not to arrive before 4pm when you can set up your tent. You will be able to practice from 5pm to 7pm.
- **Timings:** Inspection from 7:45am. Assembly at 8:45am. Practice followed immediately by competition at 9:00am
- **Roadworks:** Be aware there are major roadworks on the M25/A3 junction, that said there are no closures so although traffic may be heavy (it is the M25!), you should still get through.
- **Spectator Line:** There will be an extra line 3m forward of the tent line, some of you may be familiar with this from JNOC and the Youth Festival. Spectators, parents, coaches should not go beyond this line. While we expect it to be noisy during H2H matches, please respect archers concentrating on their shot.
- **Catering:** There will be breakfast baps, and burgers etc for lunch. Vegi options are also available.
- **Drinks:** To cut down on waste, please bring your own mugs for hot drinks. Soft drinks and bottled water will be available.
- **Registration:** Will take place during Equipment Inspection.
- **Target Lists and Results:** can be seen on <https://ianseo.net/Details.php?told=12955>
- **Weather:** The forecast is for it to be hot, remember to bring sun cream and water!

See you on the 17th.

Regards
Mark & Candy
JAS-2 Organisers
