

UK Record Status Portsmouth

Sessions

There is now a third session added to this competition due to the high volume on entries. This session will commence at 1630. Archers can have a place in all 3 sessions however archers who have not shot before during the day will be given priority. Should an archer wish to change/upgrade their session they need to submit a new form to shoot in the evening and to change sessions they need to email the Competition Manager on tournaments.mcoa@gmail.com. Once these spaces are filled no additional sessions will be added
