

Waterside Archers Catering Team

WRS Waterside big weekend

Welcome Archers,

Here at Waterside, we pride ourselves in providing excellent food for our competitions. We have a selection of options for breakfast and lunch meals for our events. Please follow the provided link to a google forms document which will show you what we are providing for this event. It helps us greatly if you fill this out before the cut off date as we purchase everything fresh, and this helps us with our local suppliers.

WRS weekend 3rd and 4th May 2025 [WRS WA weekend catering link](#)

We also have a selection of home-made cakes, teas, coffee, and soft drinks at each event. We take cash and card payments on the day.

If you have any special dietary requirements, issues with the order form or require allergy information then please e:mail us directly at cateringteam@watersidearchers.co.uk

We look forward to seeing you at the event

Simon
