

Cancellation of WRS Metrics & Short Metrics Event Monday 05-May-2025

Refund Information Request

To Who It May Concern,

I am writing on behalf of the Waterside Archers Committee to formally notify you that, after careful consideration, the committee has resolved to cancel the **WRS Metrics & Short Metrics event scheduled for Monday, 5 May 2025**, for our Junior Archers.

This decision has been reached due to a significant shortfall in the number of registrants, a circumstance that, given the advanced stage of planning, is not expected to improve sufficiently to allow the event to proceed as intended. Please be advised that this cancellation pertains solely to the WRS Metrics & Short Metrics event and ***does not affect*** any other activities planned for the remainder of the weekend.

In order to facilitate the processing of a full refund for your registration, we kindly request that you provide your bank account details at your earliest convenience. These details will be forwarded to our Club Treasurer, who will ensure that the refund is issued promptly.

We appreciate your understanding and cooperation in this matter. Should you have any questions or require further clarification, please do not hesitate to contact myself or our Chair

Yours sincerely,

Matt Carstensen
