

Results Announcement

At 13:32pm on 19/4/2025 the Chief Judge of the Field event made the call to cancel the rest of the Marked Field round due to severe weather and safety concerns of the archers and judges.

According to [WA Rulebook 4, Rule 26.2.4](#): “Should the competition have to be abandoned prior to the completion of the Qualification Round(s), the total score of the same targets shot by all athletes in a category shall be used to determine the ranking, and in case no further competition is possible at all, the champions in that category.” the scores have been calculated and peer reviewed abiding by this rule.

Any records archers may want to apply for will be based off of the final results and not the score from individual scoresheets.

Archers will be happy to know that any perfects shot and scored on any target will be valid for [pins and badges](#).
