Scorecards:

Scoring will be via paper. The paper scorecard arrow values must be identical. Should this not be the case the results team will take the lowest arrow value and record that score. The scorer must sign the paper scorecard and the archer to verify the score shot. Once a scorecard has been submitted, it cannot be returned. Handing a scorecard in is the archer and scorer signifying they are happy with the contents. The 10 + X and X column should be completed failure to complete will result in a zero score. If there is a discrepancy between the papers 10 + X and X count, the lowest score will be taken. Arrow values that have been changed without a Judge correction will be deemed a Miss.
