

Trelleborg Open 2026

Information

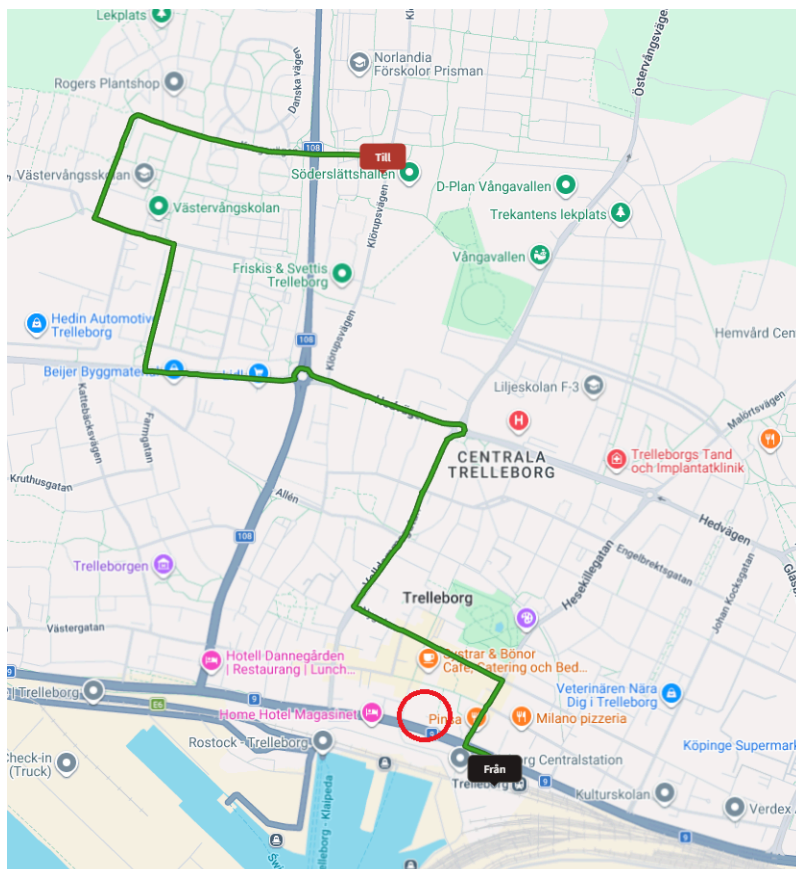

Parking at Söderslättshallen can be difficult on weekends!

Due to the parking area being small and there are possibly other events at the venue at the same time, we highly recommend that you carpool with others and arrive early to minimize potential delays.

If you want to use public transportation, it is possible with buses. Take bus number 2 from Trelleborg C (Position G) towards Högalid.

The bus takes about 10 minutes and leaves twice per hour on Saturdays and once per hour on Sundays. Tickets can be bought onboard with a card, or through the app "Skånetrafiken", here you can also find the timetable.

Or you can walk, which takes about 25 minutes.
