Further details and updates can be found on lanseo.net and it's recommended that you check for any changes to this target list there or at the Club before setting up your tent. This list will not be updated.

We will be serving refreshments throughout the day from our kitchen including bacon rolls first thing in the morning.

We also are trying to be green and will not be using paper cups for Tea and Coffee. If you bring your own mug we will happily fill it for you.

We are now able to accept debit and credit cards.

Please try and take your rubbish home with you.

Target lanes will be marked out at 2 metres, this is narrow, so please be respectful of your target colleagues and those adjacent to you when setting up any scopes. Please also setup your tents to allow walkways for those further back on the field.
