It is possible that one stage of the competition may start a few minutes before the time on the schedule. So, please, ensure that your archers arrive at the field early enough not to miss the start of their matches if these start a few minutes earlier than planned.

Please note that there will be two separate match play rounds; one for the archers and teams registered on WAREOS for South American Championship, and another one with every individual archer registered on WAREOS or OPEN WAREOS.

Only archers from countries in South America who were registered on WAREOS (not open WAREOS) can take part in the individual and team events within the South American Championship.

Only archers registered on WAREOS can compete in the team and the mixed team events.

11-Scoring

Scoring will be conducted using a paper scorecard and a PDA. The scoring team will be available to explain to your archers how to enter the scores in the PDA's.

Please instruct your archers to verify that the scores entered in both the electronic and the paper scorecards are the same. All paper scorecards must have a total and show the number of Xs and 10s. They must all be signed.

During finals, please instruct your archers' agents to check that what is entered in the scorecard is exactly what is on the target. Archer's agents are expected to sign their archer's scorecard, to have a pen to mark arrow holes and to have (if needed) a device to pull arrows from the targets.

12- Team Uniforms

All World Archery rules in connection with uniforms will be applied, including the one that requires archers and teams shooting finals to have two uniforms with different colors. The rule on sleeve colors for finals matches will be enforced as well.

Archers registered on Open WAREOS may wear their club uniforms but must have their names on their backs and comply with the WA rules regarding advertising.
