The **only** thing I ask is that if you like the photos, then please just say **thank you**, especially if using any of the Social Media platforms. Follow, tag and share!

- **Scan** this QR code to be taken to his Instagram account
- Then click the link in the **Bio**
- Finally select the appropriate **album**

To **save** photos from a Flickr account:

- click on the photo and the the **down arrow** in the bottom right hand corner
- and then simply select the size required
- or you could just screenshot and crop them!
