We look forward to welcoming you to Brontë Archers this Sunday for NCAS - Inter-County Senior Tournament.

Please take a moment to check the target list and let me know if you spot any errors or have any concerns.

A reminder that any trophies need to be returned.

Assembly will be at **9:45 am**, with sighters at 10:00am. Please allow yourself plenty of time to park, set up your equipment and make your way to the shooting line beforehand. There is space for line tents, which can be set up after the Junior tournament has been completed. You are welcome to practice when the field has been reset for Sunday's tournament.

We'll have hot food and drinks available throughout the day, and we accept contactless, card and cash payments. After the shoot, we will be serving a meal for competitors and team officials.

Please use the car park immediately on your right as you turn off Harrogate Road. **Parking at the pavilion is reserved for Blue Badge holders and judge only**.

We do offer camping facilities, ***please let us know if you would like to camp on our field.*** The camping site will open from 2pm on Friday afternoon, please do not arrive before this time. The camping area is on the field closest to the parking area.

Please note that we share the grounds with Bradford City Football Club, who are preparing their pitch for the upcoming season, so there are sprinklers near the camping area. If you're unsure where to park your caravan, camper van or pitch your tent, just ask one of our members - we'll be happy to point you in the right direction.
